

Swarnnim Startup and Innovation University

Alumni Meet- April 16, 2022

Executive Summary Report

Alumni meet of Swarnnim Swarnnim Institute of Technology, Swarnnim Institute of Design, Swarnnim Institute of Science and Swarnnim Institute of Management was organized on April 16, 2022 at 10.00 am onwards. The event was held in Seminar Room, Swarnnim Institute of Technology at Gandhinagar. The program was attended by a maximum of alumni from BE, Design, Science and Management. Mostly they were an entrepreneur, had a good position in their job and was from and around Ahmedabad. They are veery happy to see the progress of the university

Total 65 alumni members attended the Meet and Faculty members of Various Institutes of University were also invited to join in the Alumni Meet. There was informal gathering and discussion in the various groups at department level with HoDs and senior faculties.

On this occasion, Provost Dr. Kartik Jain had shown the journey of University till date and how University had taken an initiative to work for the betterment of the society in Covid-19. He had also reminisced about the college days, canteen, exam time, cultural activities, etc. Start-up and Innovation University has played a very important role in this. The students expressed great pride at the pace at which the university is progressing.

Shri. Nimish Dave – General Manager Training & Placement had shared the Placement and internship Status and asked all Alumni to involve in more and more activities happening at University. He focused on maximum Contributions required from them and how vital for any University. Many alumni members have given consent to contribute to their Alma matter in terms of expert talk, Industrial visit, Project placement, Job Placement etc.

Mr. SAURABH SHARMA and Mr. NIKUNJ Mevadawala – the First batch passed out i.e 2013 batch said that they are keenly interested to associate with University in terms of the courses to start like Foreign Language, IELTS, GATE, GRE, GMAT or even any consultancy and Research Projects. Apart from that they are also ready to give internships to the current students of the University.

Mr. Harsh Patel – CEO and Founder of SUNFLOWEEBIZTECH had shown his interest to start the IOS Course and CODING Program

Dr. Maulik Shah - Principal Design inspired the alumni by showcasing the role of Alumni as benchmarks status as source of inspiration to the present students using interesting and informal examples.

There was a group photograph as well as Individual session for Alumni members along with their faculty members. The Alumni Meet was followed by lunch in the great ambience of University.

The program was very nicely anchored by Professor Khushbu Bhatia from Business Department, who kept the students active through continuous interaction. She had also shown a short video of representing old memories with the alumni.

Mr. Nimish Dave thanked to all the principals, heads and management for this successful program.

Over all it was a Very good Alumni meet with the good Alumni base.
