# About Swarnnim

Swarnnim Startup & Innovation University is having more than 12 years of experience in higher education. We inculcate the spirit of entrepreneurship and Startup along with all technical and non-technical courses. The inspiring environment of the campus allows students to develop themselves personally, professionally, and academically. With our Startup Launchpad at their disposal 24\*7, students can explore, validate and launch their business ideas.

At Swarnnim Startup & Innovation University, we bridge the gap between academics, industry, and society with constant interactions in the form of workshops, seminars, talks, community projects, etc. The bright minds of Swarnnim University are encouraged to use their own creativity to shape a better future for society.

Our experienced faculties, backed by their research work and holistic learning, provide constant support to students. We promote our faculties to focus on research along with academics to develop an out-of-the-box delivery system.

## Vision & Mission

## From The Desk Of Mr. Rishabh Gayapprasad Jain

**President, Swarnnim**

Make yourself so worthy, that you become the dawn of a greater future. We, at Swarnnim Startup & Innovation University, are strong believers of this philosophy and want to make our students, so worthy, that the sun rises and shines for them. Our courses and programs have been designed for holistic development such that the aspirants are skilled, creative and confident, all at the same time. We make them intellectually adept; socially and technically sound through initiatives like regular brainstorming sessions, seminars, group discussions, case studies, project presentations, and thought-provoking events. We promise to not just strengthen their knowledge base but make them proficient enough to confront organizational challenges.

I invite you to be a part of this progressive platform of education and gain from our state of the art facilities and teaching methods. Our committed faculty, curriculum, and excellent facilities ensure that you improve your skills, have impressive qualifications, embark on a global career and lead a blazing trail of success.

## From The Desk Of Mr. Vivek Anand Oberoi

**Co-Founder, Swarnnim**

Make yourself so worthy, that you become the dawn of a greater future. We, at Startup Mania is all around us. Startups are the movements that are transforming how new products are built and launched. In an age of rapid technological innovations, the education system plays a compelling role. Being an Entrepreneur aficionado I am thrilled and excited to be a part of Swarnnim to nurture Startup & Entrepreneurship. The vision of this educational convergence brings Entrepreneurs together. It is an Endeavour to maximize the potential of innovations and distribute its benefits to a wider set of audience. Between learning how to land a job to your favorite startup, Swarnnim is going to be jam-packed with opportunities to grow your knowledge base and help you holster new skills. To create innovative solutions and to maximize the positive potential of opportunities enabled by the education sector this is the right time to be better prepared for these disruptions in the entrepreneurial era.

**Mr. Adi Rishabh Jain**

**Vice President, Swarnnim**

Swarnnim Startup & Innovation University, has been a place where ideas and plans are nurtured from the grassroots. At our campus, we groom students into passionate architects of the nation. Since the very beginning, our institute's faculties & staff worked dedicatedly to achieve the milestone we set for ourselves. The university is recognized for its commitment to student excellence, particularly through an emphasis on rigorous learning experiences. This resulted in our impressive alumni network that boosts our efforts like anything. At Swarnnim, students get learned from the brightest minds of academics and industry. They are encouraged to give birth to new ideas and face challenges. We leave no stone unturned to let them thrive through entrepreneur cultural and startup events. Join us—be a part of an ongoing tradition of excellence at Swarnnim Startup & innovation University.

**Mr. Rishi M Jain**

**Managing Director Of  
Operations**

At Swarnnim Startup & Innovation University, we focused on the practice-oriented teaching process and industry-oriented education. This unique blend is helping the students to mould themselves to the demands of the corporate world admirably well. University is continuously improving the learning environment and reviewing the road map that can facilitate achieving academic excellence resulting in employability as competent technocrats/managers/educationists in various disciplines. We have an approach to motivate & cultivate the students towards the business development & entrepreneurship in their minds & provide them a platform to showcase their business idea. The Endeavour of the University is to create a vibrant community and provide a life-long learning experience.

**MD - Global & Head of  
Women Entrepreneurship  
Development Cell**

## **Ms. Nikitaa Jain**

I am extremely proud of the rich tradition of providing Industry oriented education that our university has upheld since its inception. We have been successful in disrupting existing education patterns in India by introducing the courses focusing on skill-building, entrepreneurship, innovation, and thought leadership. Our programs prepare students to become leaders with the moral depth and intellectual intensity. As thought leaders, women possess more potential with their knowledge and research contributions to driving change both at the university and across the globe. Hence our Women Entrepreneurship Development Cell works parallel to and augments the efforts of Swarnim Incubation Center wherever a women entrepreneur is taking the lead. I cordially invite all who are interested in expanding the knowledge and enriching their careers to explore our university.

## **Prof. (Dr.) Kartik Jain**

**Provost**

The Swarnim Startup & Innovation University strives to provide the best learning environment in order to achieve international standards and provide accredited academic programs to prepare students by developing skills and talents. The SSIU is India's first and foremost university in the field of Startup and Entrepreneurship. Global data shows that start-ups are creating more jobs nationally than large enterprises and we the flag bearer of this revolution. The SSIU has made innovation a strategic priority and seeks to encourage skills and creativity to strengthening sustainable development.

## Dr. Upendra Patel

Registrar

I feel delighted to welcome all at Swarnim University Campus. Along with our commitment to provide students an outstanding education, we aim to provide the working ecosystem to every stakeholder of University. To ensure the same we constantly update our practices. On the academic front, we prepare students for life. We pay equal attention to the overall development by providing them ample opportunities to groom their personalities. This is augmented by Knowledge creation & dissemination, the USP of our faculties.

## Mr. Nimish Dave

Head - Training & Placements

At Swarnim Startup & Innovation University, we focus on innovation and blending the traditional approach of learning with modern practices of the world. The cell, led by industry professionals, allows students to have a proper interface with industry practices. At the same time, the team at placement cell provide training and support to students and make them ready to show their skills. It prepares the student to face employment challenges by organizing activities like personality development sessions, soft skills training sessions, industrial visits, getting live projects, etc. The corporate network of placement cell, of course, brings a competitive advantage of Swarnim University over others.

# Messages From Eminent Leaders Delivered during Swarnnim Talks

All the students should find a way where they can contribute towards nation building with their Startup and innovations. I am also hopeful that the Startups at Swarnnim University can make this world a better place. I extend my best wishes to all students.

## Hon'ble Shri Mansukh Mandaviya

Minister of State (Independent Charge) Ministry of Shipping and Minister of State for the Ministry of Chemicals & Fertilizers, Government of India.

I appreciate the Swarnnim family for the work done for the society during the Covid – 19 crisis. Let me take this opportunity to appeal to all young entrepreneurs & Startups to make the best use of this opportunity. Swarnnim University has done a remarkable job in bringing Educationist, Researcher & Practitioner at one platform to promote startup and innovation.

## Hon'ble Shri Shripad Yesso Naik

Union Minister of State (Independent Charge) in the Ministry of AYUSH & Minister of State for Defence, Government of India.

It was a pleasure to discuss "Atmanirbhar Bharat" with Swarnnim students and faculties. I would like the Startups at Swarnnim to work with ICR. We will extend our full support to startups working in agriculture fields in reaching the market and share the learning from our experienced resources.

## Hon'ble Shri Parshottam Khodabhai Rupala

Union Minister of State for Agriculture and Farmers Welfare, Government of India.

It is my privilege to have a conversation with students of India's first Startups University. Students who are studying with Swarnnim Startup & Innovation University are lucky to have an opportunity of converting their ideas into business.

## Honorable Shri. Som Parkash

Union Minister of State for Commerce and Industry, Government of India.

# Messages From Eminent Leaders Delivered during Swarnnim Talks

As you all are from startup university, think about how you can use COVID -19 Lockdown & Post COVID – 19 era as the best opportunity for startup & Innovation.

**Hon'ble Shri Bhupendrasinh Chudasma**  
Cabinet Minister for Education, Government of Gujarat.

I hereby congratulate Shri Rishabh Jain, Shri Adi Jain and entire Swarnnim Family for taking initiative on e-learning, converting difficult situation into an opportunity for immense learning. Also, it is a praiseworthy for putting tremendous efforts to encourage students for startups.

**Smt. Anju Sharma**  
Principal Secretary, Higher and Technical Education,  
Government of Gujarat.

Swarnnim University is a kind of my dream University which I always wanted to open. It is a place where a 10th or 12th standard students can come with raw thought of an innovative idea and transform into a sustainable startup. It is amazing how Swarnnim University supports such students not only academically but also arrange infrastructure and funding for their Startups. It is a place to make students self-dependent and polish their entrepreneurship skills.

**Shri Sanjay Raval**  
Motivational Speaker

## Activities

At Swarnim there is a separate dedicated wing Training & Placement Cell, which takes care of all the Placement & Training related activities. This Cell is fully equipped with all modern infrastructures and is lead by thorough professionals. The purpose of the cell is to find out the gap between need of the industry and end product of the institute The Cell is the bridge between the industry, the real world and the institute. One of the objectives is also to offer programmes fulfilling the needs of continuing education of the industrial personnel. The Cell imparts benefits to all components like students, faculty, institute and industry by interacting closely with the industries.

## Campus Placements

Placement of students with right kind of job opportunities is an endorsement of University excellence in the respective field. Nationals and multinational companies are the regular visitors of the University for seeking out fresh talent. Training & Placement Cell organizes various programs on regular basis.

## Career Orientation Programmes

Training & Placement Cell is conducting a Mock Interview, Group Discussion, Soft Skills Session and Session on Higher Studies for the students of 4th and 6th Semester so that they can plan /prepare well before the Final semester and make their career in such a good way..

## Industrial Training

Training is the integral part of the study to acknowledge them for real problems. Students should be trained at various industries under the supervision and guidance by the faculty .Student / Projects / Training / Internship Training & Placement Cell is provided the Internship of

## Swarnim Skill X

A Technology-based Employability and Skilling platform to prepare students for Industry Readiness through short-term courses. These programs would be provided as an add-on to the existing degree courses in an online and learning mode The Short term Certifications courses in the areas shall be offered like, IT, Management, Finance, Technology and many more.

## Industry Meet

Training & Placement Cell organizes Industries Meet at the University. This meets proved fruitful for the students, Faculty and Industry Personal.

## Training for the Faculty

Faculty is deputed to the various industries to enhance their teaching capability and allow them to enrich class room delivery.

## Industrial Visit-Study Tour

Training & Placement Cell organizes Industry visit, in every semester for the students to give them the exposure for the large scale of practical application.

## Expert Lectures

Training & Placement Cell organizes expert lecture in coordination with Students Organizations.
