#Experience TheReal

Turn Possibilities Into Reality At Swarnim University

Having over 15 years of experience in higher education, Swarnim Startup & Innovation University aims to inculcate the spirit of entrepreneurship and startups amongst the youngsters of our nation. The enriching environment, along with the technical and non-technical courses, helps in the academic, personal, professional and development of the students. With the state-of-the-art Startup launchpad, the youngsters can explore, validate, and launch their business ideas 24*7.

Our regular and expert talks are organized with industry leaders so that we can bridge the gap between academics, industry, and the society at large. We encourage our students to have faith in themselves and be confident enough to create their own path for the nation's better future.

The faculty members, experts and scholars in their profession who contribute towards the holistic development of all the students. We encourage them to focus on research along with academics, in order to help us create a stronger and prosperous delivery system.

VISION

To be a globally competent Institution imparting education based upon the foundation of Innovation, Entrepreneurship and Intrapreneurship.

MISSION

To create budding Entrepreneurs who can compete globally by grooming their Innovative and startup skills.

INSTITUTE OF TOWN PLANNERS, INDIA

Institute of Town Planners, India

FROM THE DESK OF

Make yourself so worthy, that you become the dawn of a greater future. We, at Swarnim Startup & Innovation University, are strong believers in this philosophy. We strive to make our students extremely worthy so that they always emerge victorious in every endeavour. The ever-evolving global market demands intellectuals who are dynamic, far-sighted, and most importantly, innovative. The demands of the EMPANELED world require innovative thinkers who are ready to take up challenges as well as be triumphant.

Our courses and programs have been designed for holistic development such that the aspirants are skilled, creative, and confident, all at the same time. We help them become intellectually adept; socially and technically sound through initiatives like regular brainstorming sessions, seminars, group discussions, case studies, project presentations and thought-provoking events. Our committed faculty, updated curriculum and excellent facilities ensure that you improve your skills, possess impressive qualifications, embark on a global career, and lead a blazing trail of success. Come and take your life to newer heights. Shape your future at our campus. I wish a bright future ahead to all the youngsters.

The nation is buzzing with so many startups with young blood running as entrepreneurs. The Startup movement is transforming how products and services are built and distributed. In an age of rapid technological innovations, the education system plays a compelling role. Being an entrepreneur aficionado, I am thrilled and excited to be a part of Swarnim where young talent is nurtured to initiate their own Startup & Entrepreneurship.

The vision of this educational convergence brings entrepreneurs together. It is our endeavour to maximize the potential of innovations and distribute its benefits to a wider set of audience. To help youngsters land the job of their liking, Swarnim is jam-packed with opportunities to grow your knowledge base and help you holster new skills.

We wish to create innovative solutions to maximize the positive potential of opportunities enabled by the education sector.

**Shri Rishabh
Gayappasad Jain**
President & Founder, Swarnim

Shri Vivek Anand Oberoi
Co Founder, Swarnim

FROM THE DESK OF

Mrs. Sunita Jain
Trustee (GP Jain Charitable Trust)

Swarnim University is dedicated to offering the best learning environment possible as the first institution in India to educational courses on startups and entrepreneurship. With the will to reach the highest standards of entrepreneurial excellence on a global scale, the faculty of the institution spreads the wings of students to the maximum potential. The indulgence of the educational administration is found here in such a rich course by selecting deserving academics and inviting authorities in their respective domains.

Mr. Rishi M Jain
MD, Swarnim Group

To make learning engaging, we have chosen to pursue a practice-oriented teaching process and industry-oriented education. This unique combination meets the needs of the business sector in addition to improving student learning. By encouraging students to pursue careers as technocrats, managers, or educators in diverse fields, we hope to increase employability.

We want to grow the seed of entrepreneurship in young people's minds through information and education.

Mrs. Vinjal Jain
Trustee (GP Jain Charitable Trust)

The academic environment at Swarnim University is actively improved by the faculty. To promote employability, educators, managers, and technocrats are encouraged to inspire students to pursue employment in these disciplines. Swarnim team works towards cultivating an environment of creation, innovation, and entrepreneurship to empower the kids and provide them with the necessary tools & equipment.

As a result, young people must be well-rounded and equipped to handle whatever obstacles they may encounter in life.

Mrs. Nikita Jain
MD-Global and Women Entrepreneurship Cell

We have always placed a strong emphasis on offering education that is relevant to the business world. There is a saying that states to ask a guy for something to be stated, but to ask a woman for something to be done. Women typically have greater potential to lead change at the collegiate and global levels.

The Swarnim Incubation Centre also aims to develop female entrepreneurs who are innovative, observant, and eager to lead.

Mr. Love Jain
MD, Swarnim Group

The claim we make at Swarnim is that it is the pioneering institution of its kind in India that concentrates solely on instructing young people about founding enterprises and being entrepreneurs. We seek to produce, enhance, and spread information to create a learning environment where start-ups and entrepreneurs are born.

We believe that young people should be well-rounded and equipped to handle any obstacles they may encounter in life.

Dr. Jikisha Jain
MD-Swarnim Startup and Innovation University

In addition to constantly providing the necessary support, Swarnim encourages students to seek careers as technologists, inventors, job creators, leaders, or educators in several disciplines. I believe that we must continue to use a teaching methodology that is practice- and industry-focused.

Startups, e-commerce, and many other methods and techniques have fundamentally changed how things are developed, advertised, and distributed. I cordially invite you to visit and spend some time in a setting that will inspire you to pursue your aspirations.

FROM THE DESK OF

Mr. Adi Rishabh Jain
Vice- President

Swarnim promotes the idea that it is the only institute of its kind in India that entirely focuses on educating young people about starting businesses and becoming entrepreneurs.

I feel incredibly proud to be a part of an organisation that supports my vision for the country since the country needs more creative minds to develop better employment and offer high-quality services. I want to set new standards for excellence using my management, leadership, and creative skills.

Dr. Upendra Patel
Registrar

Welcome to our inspiring campus, where we develop leaders capable of guiding the country to greatness. We want to empower our students by fostering an environment of innovation, invention, and entrepreneurship so they can find fulfilling employment and build a future in which they are their bosses. By hiring deserving academics and inviting experts in their respective fields, we can develop a rich course. We focus on the holistic growth of the children who enter the institute.

Dr. Ragin Shah
Provost

Cordially inviting you all to the centre of advanced learning, where the University prides itself on entrepreneurship, innovation, and startup. Our curriculum is created in a way that fosters a healthy competitive spirit among the aspirants to prepare our students for the future. I believe we have to educate young people and provide them with life lessons that will prepare them to be tomorrow's market leaders. Our responsibility extends beyond only dispensing advice on business beginnings and entrepreneurship.

Dr. Kavita Kshatriya
Academic Dean

We give our students the tools they need to be effective contributors and leaders in the global community. I have the great fortune of working with a lot of hardworking, creative, and compassionate faculty, students and parents. We wish achieve academic excellence as well as a strong sense of character, strength, and self-respect ethics among students Community. We strive to ensure that our students are employed or self employed seamlessly.

Dr. Ramsinh H. Rajput
Chief Administrative Officer

Swarnim is the first university in India to offer courses on entrepreneurship and startups. To meet worldwide standards, we continue to develop the best learning environment. The institute offers academic programmes with accreditation to aid students in enhancing their business acumen, soft skills, and latent talents. We are honoured to represent this movement as its flag bearers, and we want India to be the nation where the most startup ideas are created.

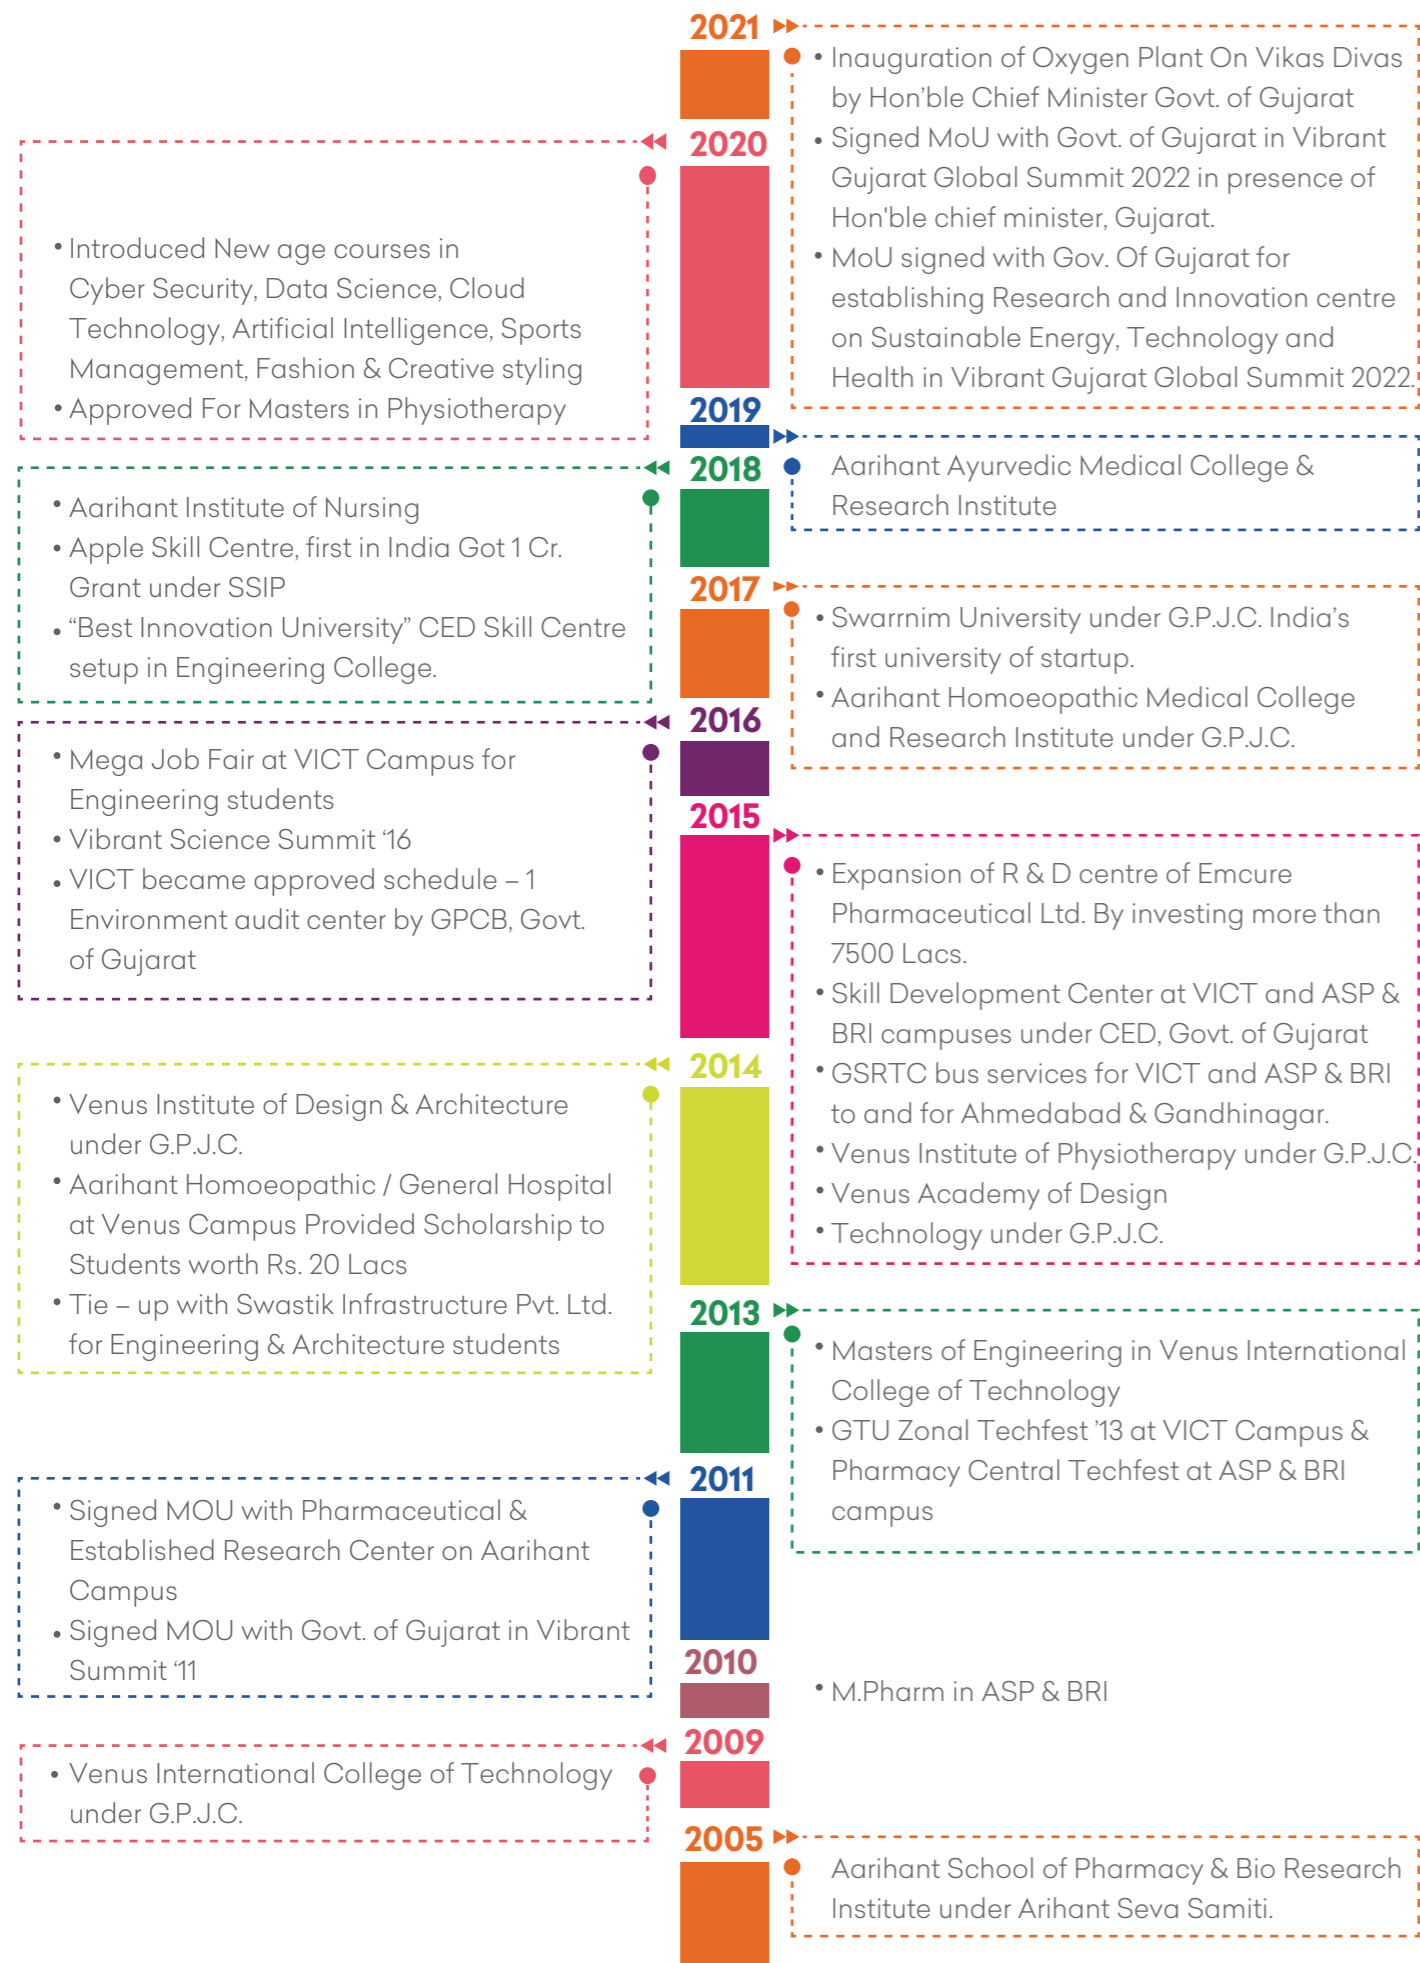

Dr. Hiren Kadikar
Academic Director

We are a unique university that focuses only on disseminating knowledge about startups and entrepreneurship because of our idea of going beyond the books and connecting young minds with professionals.

In addition, the university has been successful in encouraging startup ideas, holding health camps, and filing numerous patents. I invite you to join Swarnim in building a bright future.

Messages From

Eminent Leaders, Delivered During **SWARRNIMTalk**

Hon'ble Shri Mansukh Mandaviya
Minister of Health and Family Welfare
Minister of Chemicals and Fertilizers Government of India

All the students should find a way where they can contribute towards nation building with their startups and innovations. I am also hopeful that the startups at Swarnnim University make this world a better place. I extend my best wishes to all the students.

Hon'ble Shri Parshottam Khodabhai Rupala
Union Cabinet Minister of Fisheries, Animal Husbandry & Dairying -
Government of India

It was a pleasure to discuss "Atmanirbhar Bharat" with Swarnnim students and faculty. I would like the Startups at Swarnnim to work with ICR. We will extend our full support to the startups that cater to the field of agriculture and share the learning from our experienced resources.

Hon'ble Shri Shripad Yesso Naik
Minister of State for Tourism, Government of India

I appreciate the Swarnnim family for contributing to society during the Covid - 19 crisis. Let me take this opportunity to appeal to all young entrepreneurs & startups to make the best use of this opportunity. Swarnnim University has done a remarkable job in bringing Educationists, Researchers & Practitioners to one platform to promote startup and innovation.

Honorable Shri. Som Parkash I.A.S. (Retd.)
Union Minister of State, Commerce and Industry,
Government of India

It is my privilege to have a conversation with the students of India's first Startup University. The students of Swarnnim Startup & Innovation University are lucky to have an opportunity of converting their ideas into concrete businesses.

Hon'ble Shri Bhupendrasinh Chudasma
Former Cabinet Minister for Education,
Government of Gujarat.

As you all are from startup university, think about how you can use COVID -19 Lockdown & Post COVID - 19 era as the best opportunity for startup & Innovation.

Messages From

Eminent Leaders, Delivered During **SWARRNIMTalk**

Shri Rushikesh Patel
Hon'ble Minister, Health & Family Welfare, Higher & Technical Education,
Medical Education, Law & Justice, Parliamentary Affairs Govt. Of Gujarat

The Swarnnim Startup & Innovation University is the most promising educational facility to have emerged in the digital era, supporting the goals of the next generation to become successful entrepreneurs. For individuals who desire to explore the world of startup businesses with thorough practical knowledge & experience, the team of educators here is undoubtedly an added advantage. Warmest regards to the Swarnnim Team!

Smt. Anju Sharma
Principal Secretary- Labour & Employment, Government of Gujarat.

I hereby congratulate Shri Rishabh Jain, Shri Adi Jain, and the entire Swarnnim Family for taking an initiative on e-learning and converting a difficult situation into an opportunity for immense learning. Also, it is praiseworthy for putting tremendous efforts to encourage students for startups.

Shri Sanjay Raval
Motivational Speaker

Swarnnim University is like my dream University which I always wanted to open. It is a place where 10th or 12th standard students can come with raw thoughts and innovative ideas to transform them into sustainable startups. It is amazing how Swarnnim University supports such students not only academically but also arranges infrastructure and funding for their startups. It is the perfect place to make students self-dependent and polish their entrepreneurship skills.

Rannvijay Singha
Indian Actor

Swarnnim University is a game changer for those who want to get the finest guidance & support to pursue their dreams of entrepreneurial ventures. It is a safe haven for ideas & concepts that are made capable enough to take off as self-sufficient start-ups. The students are diligently backed up by the best in business team of educators with the necessary equipment for grasping knowledge and making it a medium to realise their goals. I wish the very best to such a revolutionary academical infrastructure and am proud to have experienced a part of it in the flesh.

Abhinav A. Bindra
Olympic Champion, Entrepreneur

Entrepreneurship involves a variety of learning through trial and error methods in addition to being competitive and risky. Swarnnim University is a path-breaking knowledge centre that bridges the gap between entrepreneurial aspirations and businesses with high profit margin. Revolutionising the dynamics of establishing a profitable enterprise. Wishing the best for the aspirants of Swarnnim!

SWARRNIM INCUBATION CENTER (SIC)

- ✓ Selection of ventures
- ✓ Assessment of idea's commercial viability
- ✓ Mentoring from industry experts and academics
- ✓ Seed funding
- ✓ Government grants
- ✓ Legal & IPR support
- ✓ Infrastructure support
- ✓ Network development for resource

The Swarnim Incubation Centre (SIC) offers a whole spectrum of incubation facilities and support to prospective entrepreneurs and startups. It assists students to convert their innovative thoughts and ideas into reality by making commercially viable products or services out of it. The centre also pushes students to identify problems or challenges faced by society and come up with innovative and sustainable solutions. SIC nurtures ventures in technology, agriculture, social, engineering, and other disciplinary areas. SIC regularly hosts events like entrepreneurial talks, workshops, and seminars that offer great visibility in the region. The centre offers the following services to startups:

HIGHLIGHTS OF SIC

60+ Projects registered for Prototype

75+ Startups Incubated

27+ Patents filed/ Published

1.4 Cr.

Funds given for development of the idea and Prototype

55 Lac.

Fund allotted for Patent

100+ Students have worked on registered startup projects.

SWARRNIM ATMANIRBHAR DIVYANG CELL

The Swarnim Atmanirbhar Divyang Cell was inaugurated in April 2021 with the aim to develop startup and entrepreneurship eco-system to support people with disabilities.

This cell provides employment skill training, before arranging placements for them in corporates, institutions, and organizations.

The cell wishes to help the youth with disability to convert their innovative ideas into a revenue generation model. Swarnim Startup & Innovation University successfully signed an **MOU with Apang Manav Mandal**.

WOMEN ENTREPRENEURSHIP DEVELOPMENT CELL

Protecting women and their rights is the prime motto of Swarnim University. Every woman has the right to be heard and therefore, we created the Women Development Cell (WDC) in 2011-2012, in order to work towards empowering women and motivating them to become stronger individuals. The WDC has been set up to address concerns regarding gender discrimination. We work towards Women Empowerment and Women Rights in order to enhance the skills women entrepreneurs require for their own upliftment. The cell has done various workshop series based on skill development, health, hygiene, sensitization, and entrepreneurship.

RESOURCES

BUSINESS
SUPPORT

Morning Plus Beverages Pvt Ltd

The company started to provide fresh juice to the patients at the hospital. We later manufactured soft drinks and cold drinks with low sugar and no preservatives. The manufacturing was carried out at a low cost with plastic recycling process.

Mec R Spray (Polyherbal spary for menstrual cramp relief)

Mec R Spray is a herbal spray applied topically on the lower abdominal area for the treatment of menstrual cramps. The product is easy to use and safe with good penetrability and quick onset of action.

Hybrid Vehicle

The hybrid vehicle is built to work on both, conventional and electric vehicle technology. The vehicle is operated through a motor as well as battery in electric mode and conventional paddling method for operating it as a cycle.

The Morning Drug- Freshly Roasted Coffee!

The aim behind this is to introduce coffee lovers to buy quality coffee beans and roast them with care. With this, we wish to make high-quality coffee more accessible through our cafes and our website.

Veggie Cleaner

It is the organic product to Cleans Vegetables & Fruits without using Chemical ingredients. Veggie Cleaner is made from 100% Natural ingredients like the extract of neem, lemon juice, etc.

Swarnim Institute of Technology is an initiative of Swarnim Startup and Innovation University Gandhinagar, with the vision of imparting quality education in the field of engineering for inculcating novel skills for innovation and creativity in the field of technology. SIT endeavors to exercise unique teaching and training processes in sync with the recent trends of job market, and accordingly students are groomed and skilled holistically, to combat the various criticalities of employability and entrepreneurship.

In tandem to this, SIT has an Authorized Apple Lab, SAP Lab and Virtual Laboratory (CV Lab) approved by IIT Roorkee, for up-scaling research and development opportunities. In response to the emerging Drone Industry, SIT houses School of Drone in collaboration with "Kaushalya: The Skill University," which is an affiliating State University, under the Government of Gujarat. We promote research and development activities amongst the faculty and student fraternity to develop new technologies and the generation of IPR. SIT has published 4 patents in the field of Mechanical and Automobile Engineering.

Programme Highlights

- Promotes experiential learning opportunity such as Hands-on training, Project-based courses, Active Learning courses, research projects, and internships.
- Holds the state-of-the-art infrastructure and other supporting facilities to provide enhanced teaching-learning.
- Mentors to build expertise in Engineering Materials, Automation, Artificial Intelligence, Machine Learning, Robotics, Electrical Technology, and more.

Labs

Advantages

- Learn specialised courses to meet industry requirements
- Industry ready advance curriculum

Swarnim Science College primarily intends to nurture the shelved potential in students providing an ideal platform for them to channelize their creative outbursts and lend expression to their thoughts and views on various aspects in a serene manner. Our Institution believes that the purpose of education is to turn mirrors into windows, and it focuses not only on pure studies but also on providing opportunity to each student to explore his or her own capabilities and their area of interest - curricular, co-curricular or extra-curricular.

We aim to develop soft skills that will equip them to manage and lead the varied opportunities and challenges of the society with an added edge. We believe that complete development of a student into a holistic person requires active participation of the parents too. Thus the institution is in constant touch with parents informing them about the performance of their wards through correspondence and dialogues.

Health Science

The Healthcare Industry is one of the largest growing industries in our country. There is a huge gap between the requirement and actual supply of good quality healthcare professionals. Considering this, Swarnnim Institute of Health Science is exclusively dedicated to the education of healthcare professionals. And this makes us the most sought-after School in the region.

The program was curated to help students develop an understanding of the philosophy, objectives, and responsibilities of 'Nursing' as a profession. The purpose of this course is to introduce the students to the current concepts involved in the practice of Nursing. This includes developments in the Nursing profession, integrating the knowledge of various fields to provide holistic care, prevention of disease spread and infection, care during illness and rehabilitation at recovery.

AARIHANT

AYURVEDIC MEDICAL COLLEGE & RESEARCH INSTITUTE

Aarihant Ayurvedic Medical College & Research Institute

For thousands of years, Ayurveda has cultivated a body of knowledge that is desperately needed in today's society. Where there is harmony, there is health. Where there is disharmony, there is a disease. Ayurveda is the path back to harmony.

Interest in Ayurveda medicine is growing throughout the world as people seek natural solutions for disease prevention and the management of chronic health conditions.

Ayurveda Health Professionals work with diet, herbs, lifestyle, and yoga therapy to maximize the potential of the body to heal itself.

Program is of 4.5 years and 1 Year Internship.

Programme Highlights

- 211 Medical Camps were organized
- 28 Seminars organized for faculties and students
- 5 Exhibitions Conducted
- Various Days Celebration like Yoga Day, Women's day, Ayurveda Day
- 22 Field visits were Accomplished
- Cultural Activities
- Research Projects as a part of startup Initiatives
- 64 Medicines were prepared under Swarnnim Health Care
- MOU's with Hospitals

Advantages

- Prevention: Ayurveda places a strong emphasis on preventing disease before it occurs. By maintaining a healthy lifestyle, following a balanced diet, and practicing good self-care, individuals can prevent many health conditions from developing.
- Holistic Treatment: Ayurveda treats the whole person, not just the symptoms of a particular condition. It addresses the underlying causes of disease, and promotes overall health and well-being.
- Special Panchakarma Treatment for Body, Soul and Mind

The Goal of Innovation and Entrepreneurship Department (IE) is to establish the practice of creating new business ideas within the students through theoretical and practical interventions, intending to make them job creators rather than job seekers which ultimately results in overall societal development.

Innovation and Entrepreneurship department provides all students with required skills, understanding of analytical tools, perspectives, and experiences that prepares them for careers as autonomous entrepreneurs, family-business entrepreneurs and even intrapreneurs in corporate settings.

It not only focuses on making them Entrepreneurs but initiating their thoughtfulness towards venturing into novel domains of Startup with innovative methods and products or services. IE department creates an environment of developing creativity which ultimately results in out of the box thinking.

Vision To be a world class institution that builds individuals with entrepreneurial credibility for creating a productive society.

Programme Highlights

- Programme designed according to Industry and Government Regulations
- Course Elevated according to New Education Policy (NEP)
- Expert Faculty & Focused Mentoring
- Practical Interventions by Seminars, workshops, Projects, Experiential learning etc.
- Course Enables Startup Projects
- Conception of new Startup & Conversion into Unicorns

Mission Incorporate efficiency and commitment via drivers of initiative, innovation, and technology development in modern system.

Advantages

- Enhancing Entrepreneurial & Intrapreneurial Abilities
- Empower to Strategic Positions
- Apple Lab Facilities
- Attitudinal & Personality Enhancement
- Idea Developments through Mindmapping
- Networking

Course Overview No. of Seat

17

The course is designed to develop and enhance the entrepreneurial and business acumen in the students alongside promoting the academic skills in them. This has highly influenced the end users as well as every small and big organizations, employees and educational sectors associated with it in the last few decades. The main focus of the course is to enhance the entrepreneurial skill set among the students and make them capable of offering employment to others rather than seeking employment.

Doctoral & Research Programs

Doctoral & Research Programs are designed to equip students with the knowledge, skills and understanding required for a successful career in the field of research and academia. Doctoral courses are designed to cater to the needs of the research and the rapidly changing trends of the research and academia.

PhD in Engineering is a doctoral-level program that enables students to pursue advanced research in various fields including Computer Engineering, Mechanical Engineering, Civil Engineering, and Electrical Engineering. The program is designed to provide students with a comprehensive understanding of the principles and applications of engineering science and technology. PhD in Science provides students with an in-depth understanding of the scientific principles and concepts of mathematics, chemistry, physics and microbiology.

The program focuses on the study of the physical, biological and chemical processes that govern the universe, and provides students with the opportunity to investigate and explore these topics in greater detail.

Programme Highlights

- PhD courses cover a wide range of academic disciplines, from the humanities and social sciences to engineering and physiotherapy.
- Our faculty members are highly-qualified and experienced in their respective fields.
- Our PhD programmes offer excellent research training and support.
- We provide a stimulating and supportive research environment with access to the latest research facilities.
- We offer a variety of flexible study options, including part-time and full time study.
- Our students have the opportunity to take part in the seminars, conferences and workshops organized at national and international level.
- Our PhD students have access to a range of student services, including career advice, library access and support for professional development.

Advantages

- Small class sizes, allowing for an intimate learning environment and greater interactivity with professors
- Opportunity to work on cutting-edge research projects and to interact with renowned experts in the field
- Access to world-class facilities and resources, including state-of-the-art laboratories and equipment
- Comprehensive training in research methods, enabling students to become independent researchers
- Access to funding and other resources to support research activities
- Flexible course schedules, allowing students to manage their studies more effectively
- Career guidance and mentorship from experienced faculty members

TEACHING PEDAGOGY

The syllabus at Swarnim is designed in a way that brings synergy between the practical life experiences, modern theories, classroom lectures, site visits, experiments in labs, field trips, and interaction with industry practitioners. Together these activities provide students a good exposure to face the “real-time challenges”.

We encourage students to go beyond the course curriculum and participate in exhibitions, events, conferences, seminars, research projects, and student exchange programs. Our teaching involves live cases from the industry to keep them updated with market trends.

Why Study in India ?

Swarnim Startup & Innovation University welcomes students from different parts of the globe to a diverse community of young minds. Swarnim University has adopted new learning techniques and provides ample opportunities to students. This is what makes Swarnim the ideal place to pursue good education. An opportunity to study a variety of disciplines and career-oriented courses are provided in a state-of-the-art environment where one can find global exposure.

- ✔ World's third-largest 'Higher Education' system
- ✔ World's largest democracy with its economy ranked at the 6th place
- ✔ Known for entrepreneurial & technological ecosystem with remarkable startups
- ✔ History of thousands of years with rich culture & tradition. Home to beautiful landscapes including Mountains of Himalayas, Thar Desert, Rann of Kutch, rich wildlife, and Kashmir- the heaven on earth.
- ✔ A secular nation that values all religions and beliefs, and provides equal opportunities to all

WHY GUJARAT & AHMEDABAD?

- ✔ First-Ever "Africa Day" organized on Jan 19, 2019, at 9th Vibrant Gujarat Summit 2019. Gujarat shares business relationships with all parts of the world.
- ✔ With a radius of 15km, Ahmedabad is the biggest city in Gujarat. The city has an efficient and safe public transport system in the form of local airports, several rail links and intercity bus services.
- ✔ UNESCO world heritage sites- Ancient Ruins of civilizations are present in Dholavira and Lothal. UNESCO notified Ahmedabad as a World Heritage City in the year 2017.
- ✔ In recent times, the state has created some modern wonders for the world to see, like the "Statue of Unity", standing tall at 182m on the banks of river Narmada. It is the tallest statue in the world signifying the efforts and the strong will of the Iron man of India, Sardar Vallabhbhai Patel

Dubai Roadshow

MoU Signed with Pokhara University, Nepal

WHY SWARNIM?

- ✔ Ranked among top 50 Universities in India for Innovation achievement by Ministry of Human Resource Development
- ✔ State-of-the-art infrastructural facilities
- ✔ Swarnim Incubation Centre to facilitate & mentor startups for international students
- ✔ New age courses in Cyber Security, Data Science, Cloud Technology, Artificial Intelligence, Sports Management, Fashion & Creative styling, and much more
- ✔ In-campus residential facilities for international students
- ✔ Student Support Cell for International students, assistance in the visa process, FRRO, police verification & medical insurance

MOU between Swarnim Startup and Innovation University & Leela Foundation, Uganda.

INTERNATIONAL SCHOLARSHIPS

Swarnim facilitates all students to pursue their higher education goal and start their entrepreneurial journey. **Upto 100% scholarship** in tuition fee is available for international students based on academic merits.

INTERNATIONAL STUDENT SUPPORT

International cell at Swarnim helps students with pre & post-arrival information, Visa processing, FRRO/local police registration & Medical insurance. For more information and support, one can write to international@swarnim.edu.in

SCHOOL OF DRONES

In response to the growing and expanding drone industry, Kaushalya The Skill University has set up School of Drones. The School of Drones at Kaushalya The Skill University aspires to become an outstanding and recognized institution of Drone Training. The School envisions to become a place of learning, research and achievement for the advancement of Unmanned Aerial Vehicles (UAVs), commonly referred to as drones.

AIESEC is a global platform for young people to explore and develop their leadership potential. AIESEC is a non-political, independent, not-for-profit organisation run by students and recent graduates of institutions of higher education. Its members are interested in world issues, leadership and management. AIESEC assists in **Global Volunteer Program, Global Talent Program and Global Teacher Program** so that swarnim students can create impact on society.

Dr. Vivek Bindra
Founder & CEO - Bada Business

CENTRE OF EXCELLENCE

The CoE is an initiative of **SAP, Amul and L&T** to collaborate and equip the engineering students for the present demand and future skills enhancement in the field of Technology (High Performance Computing, Artificial Intelligence, IoT, Edge Computing), with certifications from SAP.

TRAINING & PLACEMENT CELL

At Swarnim, we understand that some students do like to gain industry experience before going for a startup. We also acknowledge the need to have a job in hand after the course completion. Hence, we are continuously adding more feathers to our network by providing the best training and placements to our university's bright minds. The cell has been illustrious in facilitating students in organizing industrial visits, getting live projects, soft-skills training, organizing industry talks, etc.

“The cell augments the core of Swarnim i.e. promoting entrepreneurship spirit by bridging the gap between industry & academics.”

Deferred Placement

As per deferred placement policy any alumni who has started his own startup / entrepreneur wanted placement assistance from University side would be given a 100 % support for the same within 3 years of his / her degree completion.

Activities @ Training & Placement Cell

STUDENT'S TESTIMONIALS

I am really lucky to have joined BBA in this university. It teaches me not only the essential subjects but also about the world outside the university. We are nurtured with care and are provided adequate exposure for our growth.

Kashish Anand (BBA)

I am glad that I joined this university that gives me exposure and allows me to explore more horizon that I had never heard or seen about. It even provides me various opportunities and ways to enhance my soft skills and provide me the stage to showcase my talent. The incubation provides great opportunities for building entrepreneurs

Sushant Gupta (BBA)

Very good faculties and infrastructure. The teachers are highly knowledgeable and well qualified. They are experienced also and very helpful and they are always ready to support us in each and every situation and the course curriculum is also relevant. The infrastructure of our college is very spacious and the classrooms are also very big and the area of library is also very large with ample of space and ample number of books. Medical facilities are also provided for the well-being of students.

Nikita Chauhan (B.Com)

The curriculum of our course is really nice and is updated every time a new addition comes, the course helps in overall development of a student which helps to make you job ready. My experience with the college was really awesome as I got to explore a lot of qualities within myself with the help of teachers. Also I am a sports enthusiast so I got encouragement from the teachers too.

Siddharth Chavda (B.Sc.)

MEDIA COVERAGE

The collage features several newspaper clippings in Gujarati and English, along with photographs of students and events. Key elements include:

- Top Left:** A clipping titled "કચ્છીયુનિવર્સિટીમાં એઆઈની પરિવર્તનકારી ક્ષમતા જોવા મળશે : એઆઈ જોન્સ" (Transformational skills of AI will be seen in Kutch University: AAI Jones).
- Top Right:** A clipping titled "સ્વર્ણિમ સ્ટાર્ટઅપ એન્ડ ઈનોવેશન યુનિવર્સિટીએ વર્લ્ડ ઓર્ગન ડોનેશન ડે ઉજવ્યો" (Swarnim Startup and Innovation University celebrated World Organ Donation Day).
- Middle Left:** A clipping titled "સિટીની મોટાભાગની કોલેજમાં સ્ટુડન્ટ્સે ઉત્તરાચાણનું પ્રિ-સેલેબ્રેશન" (Students in most of the city colleges celebrated the pre-celebration of Uttarakhand).
- Middle Right:** A clipping titled "ભૂલી બિસરી ટ્રેડિશનલ રેસિપીઝ થીમ પર ફૂડ ફેસ્ટિવલ યોજાયો" (Food festival was held on the theme of forgotten traditional recipes).
- Bottom Left:** A clipping titled "સ્વર્ણિમ સ્કુલ ઓફ એન્જિનીયરિંગે ઓરિયેન્ટેશન પ્રોગ્રામનું આયોજન" (Swarnim School of Engineering organized an orientation program).
- Bottom Center:** A clipping titled "SSAના 2,000થી સ્ટુડન્ટ્સ ગરબા રમ્યાં" (Over 2,000 SSA students participated in Garba).
- Bottom Right:** A clipping titled "વિમેન સ્ટાર્ટઅપના સપોર્ટમાં 'આંત્રપ્રિન્ટ્યારી અમદાવાદ : સ્ટાર્ટઅપ આપવાના હેતુ સાથે સ્વર્ણિમ સ્ટાર્ટઅપ કોન્કલેવ્ કરવામાં આવ્યું" (Women Startup Support in Ahmedabad: Organized Startup Conclave with the purpose of providing startups).
- Far Right:** A clipping titled "સ્વર્ણિમ સ્ટાર્ટઅપ એન્ડ ઈનોવેશન યુનિવર્સિટીએ વર્લ્ડ ઓર્ગન ડોનેશન ડે ઉજવ્યો" (Swarnim Startup and Innovation University celebrated World Organ Donation Day).
- Bottom Right (English):** A clipping titled "Celebration time!" mentioning Swarnim Startup & Innovation University's 5th Foundation Day celebrations.
