

Swarnim Science College primarily intends to nurture the shelved potential in students providing an ideal platform for them to channelize their creative outbursts and lend expression to their thoughts and views on various aspects in a serene manner. Our Institution believes that the purpose of education is to turn mirrors into windows, and it focuses not only on pure studies but also on providing opportunity to each student to explore his or her own capabilities and their area of interest - curricular, co-curricular or extra-curricular.

We aim to develop soft skills that will equip them to manage and lead the varied opportunities and challenges of the society with an added edge. We believe that complete development of a student into a holistic person requires active participation of the parents too. Thus the institution is in constant touch with parents informing them about the performance of their wards through correspondence and dialogues.

Programme Highlights

- Programme designed as per National Education Policy 2020
- Course-embedded capstone projects
- Choice of Specialization
- Focus on Experiential Learning Model
- Multiple entry and exit options allowed based on National Education Policy

Advantages

- Cutting Edge Curriculum
- Exposure to Industry
- Capstone Projects
- Simulation Exercises
- Innovation & Entrepreneurship Support

Courses Offered

UG

Course	Duration	No. of Seat
B.Sc.		
Biotechnology	3	60
Chemistry	3	60
Microbiology	3	60
Mathematics	3	30
Physics	3	60
Fire Technology and Industrial Safety Management	3	60

PG

Course	Duration	No. of Seat
M.Sc.		
Microbiology	2	60
Biotechnology	2	30
Chemistry	2	180
Physics	2	30
Mathematics	2	30
Environment Science	2	30
